

17th August, 2017

INVITATION TO PARTICIPATE IN THE DISSEMINATION WORKSHOP ON WATER AND WEATHER MONITORING SERVICES FOR COCOA FARMERS IN GHANA

Dear ,

On behalf of the Project Consortium we cordially invite you to participate in the Dissemination Workshop of the research project on 'Water and Weather Monitoring Services for Cocoa Farmers in Ghana' scheduled to take place on Wednesday **September 27, 2017 at Coconut Grove Regency Hotel, Accra from 8:30am to 2:00pm.**

The research project 'Water and Weather Monitoring Services for Cocoa Farmers in Ghana' is an NWO/ ARF funded project with support from the Dutch Government and aims to improve access for cocoa farmers to reliable information on water and weather forecasts, based on data from on-the-ground monitoring stations as well as satellite data. More info can be found on: <http://knowledge4food.net/research-project/arf1-water-weather-monitoring-cocoa-ghana/>

The workshop is part of our dissemination activities to engage with stakeholders in sharing and discussing outputs, outcomes and lessons learnt from our work.

We look forward to your valuable participation in the workshop to learn from, share, and celebrate with us the project results.

Please confirm your attendance or whom you delegate to attend with us either by e-mail or by phone.

Email: adwoa@farmerline.co

Phone: +233 243 966 748

Attached is the full programme for the workshop.

Yours faithfully,

Worlali Senyo

Director of Growth, Research and Development, Farmerline Ltd

On behalf of the Project Consortium
