

KNVB WORLDCOACHES AIM FOR ONE GOAL INVITATION

WHO ARE WE LOOKING FOR

Businesses and development organizations working in Kenya, Ghana or Mozambique, who are interested in achieving societal change through empowering the youth via football.

WHAT IS IT ABOUT

We invite you to participate in a partnership-expert meeting in which we will discuss the benefits of using football and trained WorldCoaches as a channel to reach and empower youth, more specifically girls. The goal is to encourage female community coaches to become peer educators using the power of playing football to educate girls on nutrition.

At an innovative sports location, the new KNVB Campus, we aim to explore the opportunities for sustaining and scaling this development approach.
